Accessibility statement for Powerhouse Workforce v7.3, PowerHouse Talent v7.3 and PowerHouse Contractor LMS v7.3

This accessibility statement applies to Powerhouse Workforce v7.3, PowerHouse Talent LMS v7.3 and PowerHouse Contractor LMS v 7.3.

The listed Powerhouse products are SaaS applications which are developed and owned by Mediasphere International Pty Ltd and licensed through Mediasphere Holdings Pty Ltd (Aust) and Mediasphere Group Ltd (UK). We want as many people as possible to be able to license and use our software. The software has been developed in alignment with accessibility standards. For example, that means a licensed customer should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the site using just a keyboard
- navigate most of the site using speech recognition software
- listen to most of the site using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We also make instructional text as simple as possible to understand.

AbilityNet (External link - Opens in a new tab or window) has advice on making your device easier to use if you have a disability.

Reporting accessibility problems with our software

We are always looking to improve the accessibility of our software. If you find any problems not listed on this page or think we are not meeting accessibility requirements, please contact:
